Language Village

Language Village Mahdia

*We are committed to Trust and Excellence in building a haven
for language and culture immersion programs*

Who We Are

- *The first language village not only in the Arab World but also in Africa*
- *A village with a view on the turquoise blue of the sea and the white sandy beach of Mahdia Rajiche*
- *Modern well-equipped teaching rooms, language laboratories, Information Technology rooms*
- *Summer language and culture immersion programs for mainstream students of foreign languages moderated and animated by motivated instructors and language fellows*
- *Teaching Arabic to Speakers of Other Languages (TASOL): Arabic language programs for speakers of other languages from all over the globe*
- *Language programs in a variety of foreign languages for individuals or staff in public and private sectors*
- *Customized foreign language programs*
- *TOEIC, TOFEL, IELTS preparation programs*
- *Clubs and English language programs for kids and young learners*
- *Local and international standards and methods in foreign language teaching*
- *Students live the language in interactive environment*
- *Small class sizes (10 -15 students)*
- *Enthusiastic instructors and experienced educators*
- *Cultural activities and academic events, regular conferences, symposiums, etc*
